* Only the date of filing (§ 1.6) will be the date used to determine the earliest filing date, although the date on any certificate of mailing or transmission under § 1.6 continues to be taken into account in determining timeliness. See § 1.703(f). Consider "Express Mail Post Office to Addressee" (§ 1.10) for facsimile transmissions (§ 1.6(d)) for the reply to be accorded the earliest possible filing date for future transmission calculations.

However, the Official Action mailed on May 1, 2003 did not set a shortened statutory period for response. According to 37 CFR 1.134, unless the applicant is notified in writing that a reply is required in less than three months, a maximum period of six months is allowed as in this case.

Therefore, refund by credit to Deposit Account 12-0425 of the \$975.00 charge is requested.

Respectfully submitted,
